

Award in Babysitting

The Level 2 Award in Babysitting is aimed at young people in the last years of school.

You must be aged 14 – 16 and have an interest in pursuing a career working with children in the future.

The care industry is growing and is subject to more legislative requirements now than ever before and this course provides an understanding of the skills needed when babysitting.

Start date: 7th June 2018

Duration: 6 weeks

Day of week: Thursday

Time: 4pm to 6pm

Cost: £50

Exam fee: £51

The units that are covered include the babysitter's responsibilities to the children they care for, their responsibilities to the parent(s), and accident prevention and fire safety.

You will be assessed by using a range of assessment methods. This could include tasks, coursework or methods such as oral questioning. After the course you could progress onto a Level 2 or 3 Childcare qualifications depending on GCSE English and Maths grades.

You must wear suitable clothing during the course as some aspects require you to be working on the classroom floor.
