

Guidelines for completing Application Form for Support Staff

Brookfield Community School and Language College is committed to safeguarding the welfare of children and young people.

A completed application form is required of all candidates as part of the application process. A Curriculum Vitae (CV) is not required and will, therefore, not be considered within the short listing process.

If a disability precludes a candidate from completing an application form, please contact Beverley Collins, Office Manager, for further guidance. Details are shown at the end of these guidelines.

Please note, an incomplete application form will not be accepted and may be returned for completion before it can be considered.

Shortlisting Procedure

The interview panel will meet after the closing date for applications to agree the short list.

Only those candidates meeting the requirements of the job description and person specification will be short-listed and invited to interview.

Interview Procedure

The school will aim to give applicants one week's notice of an interview so that personal arrangements can be made and preparation time is available. If the time scale is less than one week it will be up to the individual applicant to decide if he/she would still like to accept the invitation to interview; to ensure equality of opportunity the time cannot be extended to accommodate individuals' needs.

Full details of the interview process will be sent to candidates with the invitation to interview.
